Overall Length:

1.030 inches

Overall Height:

0.630 inches

Overall Width:

1.500 inches

End Application:

Voltage regulator rvk30039

Product Name:

Rc network

Special Features:

Terminals to be .25 faston; capacitance .56 microfarad porm 10 %; voltage 250 vdc; dielectric withstanding 400 vdc resistance 50 ohm porm 10% 1/2 watt; temperature rating -40 degrees c to 55 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13500
