Overall Length:

13.100 inches

Overall Height:

1.650 inches

Overall Width:

1.650 inches

End Application:

Application 6625-01-563-7817, processing unit, air; next assembly 740001 used on ddu

Product Name:

Inavy-filter, emi

Special Features:

Mounting slot 2 x 0.12 in. Dia, center to center 2.05 in.; 14 gauge wire leads approx 12 in. Long; operating temp range: +13 to +38 degrees c.

Terminal Type And Quantity:

4 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
