Overall Length:
13.100 inches
Overall Height:
1.650 inches
Overall Width:
1.650 inches
End Application:
Application 6625-01-563-7817, processing unit, air; next assembly 740001 used on ddu
Product Name:
Inavy-filter, emi
Special Features:
Mounting slot 2 x 0.12 in. Dia, center to center 2.05 in.; 14 gauge wire leads approx 12 in. Long; operating temp range: +13 to +38
degrees c.
Terminal Type And Quantity:
4 wire lead
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A507h0
