Overall Length:

4.69 inches

Overall Height:

2.28 inches

Overall Width:

1.77 inches

End Application:

B1b se

Inclosure Type:

Encased

Product Name:

High performance dual stage dc power line filter

Style Designator:

Rectangular terminal/terminals on opposite surfaces

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A047b0
