Filter Quantity:

1

End Application:

An/bvy-1 (v) 4

Assembly Construction Method:

Mounted on chassis

Product Name:

(inavy) ac line filter, 10a; 1 phase line filter

Special Features:

Chassis: screw on mounting from top; line filter in standard and medical version, 1-stage standard attenuation; material: housing is aluminum; quick connect terminals 6.3 x 0.8mm; rohs compliant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A507h0
