Overall Length:

3.2 inches

Overall Height:

0.94 inches

Overall Width:

1.6 inches

Product Name:

Ceramic low pass filter

Special Features:

Operating temperature -55 degree c to 100 degree c; rf power input is 8w at 25 degree c; dc current input to output is 0.5 a maximum at 25 degree c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A047b0
