Overall Length:

1.250 inches

Overall Width:

0.375 inches

Overall Thickness:

0.156 inches

Usage Design:

Used in telephone circuit for protection against lightening or high voltage surges

Circuit Protector Block Location:

Ground side

Material:

Carbon

Material:

Carbon

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T214-b
