Overall Length:

0.870 inches

Overall Width:

0.310 inches

Overall Thickness:

0.310 inches

End Application:

Part/dwg no. D-67600 and d-67601

Usage Design:

Used in telephone circuits for protection against lightning or high voltage surges

Circuit Protector Block Location:

Ground side

Material:

Carbon

Material:

Carbon

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-b
