Telephone Protector Block - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5920-00-296-9454

Overall Length:
1.250 inches
Overall Width:
0.370 inches
Overall Thickness:
0.150 inches
End Application:
Type no. An/apq-13
Usage Design:
Used in telephone circuits for protection against lightning or high voltage surges
Circuit Protector Block Location:
Ground side
Material:
Carbon
Material:
Carbon
Shape:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T214-b
