Terminal Quantity:

2

Terminal Type:

Standoff

Overall Length:

3.531 inches

Overall Height:

2.750 inches

Overall Width:

1.812 inches

Current Type:

Ac

Covering Material:

Any acceptable

Mounting Method:

Threaded hole

Mounting Configuration:

Four 0.138-22 thds per in. Mtg holes 0.375 in. Deep located 2.750 in. Apart c to c along the length and 1.062 in. C to c along the width

Polarization Feature:

Included

Current Rating In Amps:

4.0

Protective Covering Type:

Case

Shunt Capacitor:

Not included

Element Material:

Any acceptable

Voltage In Volts:

105.0

Frequency In Hertz:

50.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-a
