End Application:

5805-00-111-5897 interrupter, rin

Accessory Controlling Agency:

Gte communication systems corp

Accessory Identifying Number:

H871234-1 part no.

Usage Design:

Outdoor

Protective Component Name:

Telephone

Protective Component:

Not included

Protective Component Quantity:

101

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-c
