Overall Height:

Between 0.563 inches and 0.687 inches

Overall Diameter:

Between 1.438 inches and 1.562 inches

Unthreaded Mounting Hole Diameter:

0.220 inches single mounting facility and 0.236 inches single mounting facility

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-601 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Cup

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
