**Overall Height:**

Between 0.563 inches and 0.687 inches

**Overall Diameter:**

Between 1.438 inches and 1.562 inches

**Unthreaded Mounting Hole Diameter:**

0.220 inches single mounting facility and 0.236 inches single mounting facility

**Mounting Facility Type And Quantity:**

1 unthreaded hole single mounting facility

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-601 federal specification single material response

**Surface Treatment:**

Anodize

**Style Designator:**

Cup

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0
