Overall Length:

1.250 inches

Overall Width:

0.370 inches

Overall Thickness:

0.290 inches

Circuit Protector Block Location:

Ground side

Special Features:

Carbon block held in place with low temp fusing cement

Material:

Porcelain

Material:

Porcelain

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T214-b
