Construction:

Inclosed

Inclosure Material:

Metal

Current Type:

Ac

Mounting Method:

Bracket

Fuse Type Accommodated:

Cartridge

Mounting Configuration:

Eei-nema standard vertical mounting bracket

Current Rating In Amps:

100.0

Design Type:

Dropout

Fuse Quantity:

1

Current Interrupting Capacity:

8.0 kiloamperes

Indicating Feature:

Not included

Reclosing Method:

Automatic

Voltage In Volts:

5200.0

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T214-a
