Overall Length:

48.000 inches

Overall Diameter:

0.500 inches

Mounting Configuration:

5/8 in 14 thd axially located at one end of threaded hexagonal base

Special Features:

Nickel plated tip

Material:

Copper

Material:

Copper

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-b
