Body Style:

Pigtail type

Terminal Material:

Brass

Terminal Surface Treatment:

Nickel

Case Material:

Fiber

Continuous Current Rating In Amps:

0.125

Fragility Factor:

Moderately delicate

Circuit Over-current Interruption Type:

Normal instantaneous

Interruption Indicator Method:

Opaque body

Features Provided:

Nonrenewable fusible element

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01700
