Terminal Quantity:

2

Terminal Type:

Screw

Overall Length:

1.750 inches

Overall Height:

1.250 inches

Overall Width:

0.880 inches

Current Type:

Ac and dc

Mounting Method:

Screw

Polarization Feature:

Not included

Current Rating In Amps:

4000.0

Inclosure Feature:

Fungus resistant and moisture proof

Protective Covering Type:

Case

Hermetic Protection:

Not provided

Absorber Current Rating:

4000.000 amperes

Voltage In Volts:

130.0

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-a
