Criticality Code Justification:

Zzzy

Special Features:

1.5 amp; 250 volt; 1/4" diameter; 1"long; (littlefuse)

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A01700
