**Criticality Code Justification:**

Zzzy

**Special Features:**

1.5 amp; 250 volt; 1/4" diameter; 1"long; (littlefuse)

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A01700
