Continuous Current Rating In Amps:

400.000

Maximum Voltage Rating In Volts:

250.0 ac

End Application:

Motorola hx3000, motorola communications group

Special Features:

Mrc advt for material is not loaded for this inc 00248; however the item is made of glass, nickel plated brass and silver plated copper wire;

Supplementary Features:

Cognizant service - portugal coast guard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01700
