

View Online at <https://aerobasegroup.com/nsn/5920-01-458-7448>

Current Type:

Dc

Shunt Capacitor:

Included

Voltage In Volts:

28.0

Special Features:

Online protector, ul approved; rapid response time/transient filtering; self resetting sneak current; color code white; 5 yr warranty; used with krone lsa-plus connector strips; 28 vdc transient voltage; response time under 1 ns; on-state voltage 5 vdc; 200 pf capacitance; resistance 100 mgohm; overcurrent protection 300 ma; op temp m40 to p65 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T214-a
