**Body Material:**

Ceramic

**Overall Length:**

0.144 inches

**Overall Width:**

0.084 inches

**Usage Design:**

Indoor

**Arrester Type:**

Any acceptable

**Special Features:**

Silver/platinum electrode termination finish; operating temperature -55 to 125 degrees c; inherent bidirectional clamping

**Precious Material:**

Silver or platinum

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T214-c
