Body Material:

Ceramic

Overall Length:

0.144 inches

Overall Width:

0.084 inches

Usage Design:

Indoor

Arrester Type:

Any acceptable

Special Features:

Silver/platinum electrode termination finish; operating temperature -55 to 125 degrees c; inherent bidirectional clamping

Precious Material:

Silver or platinum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-c
