End Application:

Gps tsts global positioning system an/fsq-141

Polarization Feature:

Not included

Shunt Capacitor:

Not included

Element Material:

Aluminum and steel, stainless and bimetal

Special Features:

Not marked polrization but the antenna and equipment are indicated

Precious Material And Location:

Center pin gold and center tee silver and shell silver

Precious Material:

Gold and silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-a
