Body Style:

Offset hole type

Overall Length:

77.0 millimeters

Center To Center Distance Between Mounting Facilities Parallel To Length:

63.5 millimeters

Body Length:

48.0 millimeters

Overall Diameter:

17.1 millimeters

Continuous Current Rating In Amps:

80.000

Terminal Width:

12.7 millimeters

Special Features:

Carton qty of 10; carton weight of .42kg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01700
