Overall Length:

6.980 inches

Overall Height:

1.090 inches

Overall Width:

2.140 inches

Unthreaded Mounting Hole Diameter:

0.380 inches single mounting facility

End Application:

4904-01-445-0086 electronic repair station

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Steel comp 304

Style Designator:

Rectangular with/without mounting holes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
