Overall Length:

4.400 inches

Overall Diameter:

0.900 inches

Usage Design:

Indoor

Special Features:

Ethernet 10base5; n type male/female connector; 7.5 volts standard clamp voltage; 132 amps peak pulse current; less than 5 nanoseconds response time

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-c
