Continuous Current Rating In Amps:

20.000

Maximum Voltage Rating In Volts:

500.0 ac

End Application:

Controller, freq conv wtr cooling, p/n 3bhb012135r0001

Special Features:

Low voltage fuse; operation class general purpose cable and line protection; includes metal removable tags; indicator type combi indicator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01700
