Body Material:

Brass

Mounting Method:

Screw

End Application:

8s-842/g shelter

Usage Design:

Indoor and outdoor

Arrester Type:

Gas

Breakdown Voltage:

90.000 volts

Special Features:

Ptc series gas-tube surge protection; waterproof; bi-directional lightning

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T214-c
