#### **Body Style:**

Tube type

#### **Continuous Current Rating In Amps:**

0.250

#### Maximum Voltage Rating In Volts:

125.0 ac

#### End Application:

Asos weather system; aacu

#### **Special Features:**

Subminiature ceramic; surface mount; very fast acting fuse opening; square nano type

#### Shelf Life:

N/a

### Unit Of Measure:

#### Demilitarization:

No

---

## Fiig:

A01700
