**Overall Height:**

0.620 inches

**Overall Diameter:**

1.190 inches

**Accommodated Item Securing Device Type:**

Clamping ears

**Mounting Facility Type And Quantity:**

1 friction single mounting facility

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-225/8 federal specification single material response

**Surface Treatment:**

Tin and lead

**Style Designator:**

Press on type w/liner

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A062a0
