Overall Height:

0.620 inches

Overall Diameter:

1.190 inches

Accommodated Item Securing Device Type:

Clamping ears

Mounting Facility Type And Quantity:

1 friction single mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8 federal specification single material response

Surface Treatment:

Tin and lead

Style Designator:

Press on type w/liner

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
