End Application:

Eurofighter hydraulic pump test rig

Product Name:

Class j fuseblocks, pyramid style

Voltage In Volts:

600.0

Special Features:

30 amperes; 200, 000 rms sym. Amps withstand rating; 94vo u.L. Flammability; thermoplastic; screws with pressure plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A014a0
