**Body Style:**

Side barrier type

**Overall Length:**

3.202 inches

**End Application:**

Eurofighter hydraulic pump test rig

**Fuse Accommodation Quantity:**

4

**Product Name:**

Class j fuseblocks

**Voltage In Volts:**

600.0

**Special Features:**

1/2 to 600a ampere rating; 2000000rms sym amps; use with class j fuses; 94vo ul flammability; thermoplastic

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A014a0
