Body Style:

Side barrier type

Overall Length:

3.202 inches

End Application:

Eurofighter hydraulic pump test rig

Fuse Accommodation Quantity:

4

Product Name:

Class j fuseblocks

Voltage In Volts:

600.0

Special Features:

1/2 to 600a ampere rating; 2000000rms sym amps; use with class j fuses; 94vo ul flammability; thermoplastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A014a0
