End Application:

Light amphibious resupply craft (lac v) slep

Current Carrying Rating In Amps:

30.0

Product Name:

St blade fuse block w/cover - 12 circuit w/negative bus

Voltage In Volts:

32.0

Special Features:

Tin-plated copper busses give 30 amp rating per circuit; ato/atc fast acting blade type fuses; ring or spade type terminals

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A014a0
