Body Material:

Brass

Overall Length:

62.5 millimeters

Overall Width:

25.9 millimeters

End Application:

INST-AL-LAT-IONK

Special Features:

30 single / 20 multiple ka, weight 90 g, operating temperature minus 40 degrees c to plus 85 degrees c, waterproof degree ip 65

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-c
