**AeroBase Group**

**Body Style:**

Tube type

**Overall Length:**

20.000 inches

**Overall Diameter:**

51.000 inches

**Special Features:**

Mount method:  fuse block/clip/holder;  voltage:  250.0;  body material:  glass;  cap material:  nickel plated brass;  lead material:  tin plated copper;  ampere rating:  1.25;  resistance cold ohmns:  0.042;  melting:  5.648

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A01700
