**Body Style:**

Tube type

**Overall Length:**

1.250 inches

**Overall Diameter:**

0.250 inches

**Maximum Voltage Rating In Volts:**

250.0 ac

**End Application:**

Hydra wireless communication system

**Special Features:**

End item: an/src-55 p7100 24pos battery charger, ac interrupting rating 200a, typical dc cold resistance is 0.024ohms, glass tube with nickel plated brass caps

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A01700
