Body Style:

Tube type

Overall Length:

1.250 inches

Overall Diameter:

0.250 inches

Maximum Voltage Rating In Volts:

250.0 ac

End Application:

Hydra wireless communication system

Special Features:

End item: an/src-55 p7100 24pos battery charger, ac interrupting rating 200a, typical dc cold resistance is 0.024ohms, glass tube with nickel plated brass caps

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01700
