Body Style:

Body Style:
Tube type
Overall Length:
1.250 inches
Overall Diameter:
0.250 inches
Maximum Voltage Rating In Volts:
250.0 ac
End Application:
Hydra wireless communication system
Special Features:
End item: an/src-55 p7100 24pos battery charger, ac interrupting rating 200a, typical dc cold resistance is 0.024ohms, glass tube with nickel plated brass caps
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:

No

Fiig:

A01700
