Special Features:

Coordinated hybrid mov/gas tube protection, fast reaction to voltage surges, heavy du type 3-element gas tube, sealed housing to withstand severe temperature and humidity cycles, category 3 compliant, compliant with bell canada prd 96001, dc voltage breakdown (line-ground) +/- 265 v to +/- 400 v at < 2000 v/s

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T214-b
