Overall Length:

3.820 inches

Overall Height:

1.720 inches

Overall Width:

0.750 inches

End Application:

Hydraulic control cabinet assembly, 4g10502g01

Product Name:

Navy-fuse cover, indicating, 600v midget, class cc

Special Features:

0-30a, material: black thermoplastic with a flammability rating of ul 94-v2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
