Fuse Accommodation Quantity:

1

Current Carrying Rating In Amps:

20.0

Product Name:

Fuse holder block

Voltage In Volts:

32.0

Special Features:

Fuse type: sfe; fuse mounting: cartridge fuses; mounting: in-line; terminal: 3/16 inch nema qc; ul class: supplementary protection;

terminal: copper alloy; body: black thermoplastic; ambient temp: minus 10 degree celcuis to plus 80 degree celcuis

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A014a0
