Body Style:

Rectangular plug-in

End Application:

5895-01-562-6898; satellite communication system

Product Name:

Ato blade fuse rated 32v

Special Features:

32 vdc; 1000a@32vdc interruption rating; operating temp range -40 to 105 degrees celcius; typical voltage drop: 98mv

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01700
