**Body Style:**

Rectangular plug-in

**End Application:**

5895-01-562-6898; satellite communication system

**Product Name:**

Ato blade fuse rated 32v

**Special Features:**

32 vdc; 1000a@32vdc interruption rating; operating temp range -40 to 105 degrees celcius; typical voltage drop: 98mv

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A01700
