Body Style:

Tube type

Overall Length:

5.00 inches

Overall Diameter:

0.812 inches

Case Material:

Glass

Continuous Current Rating In Amps:

25.0

Maximum Voltage Rating In Volts:

600.0 ac

Circuit Over-current Interruption Delay Time In Seconds:

600.00 200 pct of current rating

Product Name:

Ac fuse 600 vac, 35a to 60a

Special Features:

Fast acting fuse, current limiting type

Special Test Features:

Body material = glass melamine, class rk1

Supplementary Features:

Blade design ferrule

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01700
