Body Style:

Plug-in autofuse

Overall Length:

19.3 millimeters

Overall Height:

36.5 millimeters

Overall Width:

6.4 millimeters

Continuous Current Rating In Amps:

15.0

Maximum Voltage Rating In Volts:

28.0 dc

Circuit Over-current Interruption Type:

Normal instantaneous

Interruption Indicator Method:

Body-visual or alarm

Short-circuit/interrupt Current Rating In Amps:

2000.0

Product Name:

Bladed breaker, auto blade manual reset 28v

Special Features:

Body color is blue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01700
