Electrical Surge Arrester Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5920-01-624-1330

Wattage Rating:
1500.0 watts
Product Name:
Lighting surge prtected 4 position rf coax switch
Special Features:
Alpha delta model d-4 internally mounted, field-replaceable ceramic gas tube arc-plug cartridge pill; impedance 50 ohms connectors- type
so-239: delta-4; switch positions four, two either side of common center, connector
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
